Our Fees

Under the federal No Surprises Act effective January 1, 2022, health care providers are required to give an estimate of the total cost of medical services to patients who self-pay in order to protect patients from unexpected medical bills. **If you are uninsured, if you choose not to use your health insurance, or if Dr. Becky Chollet is out-of-network with your plan, you may request a written Good-Faith Estimate for any service you wish to schedule at our office.**

As a streamlined solution to this new requirement, we are disclosing our fees for typical office visits, procedures and lab services that Dr. Becky Chollet provides at the Upper Valley Natural Health Center.

Additional Costs

Dr. Becky may recommend lab tests or imaging studies to be performed at local medical facilities. If you elect to do the test(s), the facility you choose to use is responsible for billing and providing fee estimates. Dr. Becky may also recommend out-of-pocket functional lab tests. She would inform you of the associated cost and if you choose to do a functional lab test, you would pay the lab directly.

Dr. Becky may recommend specific natural medicines for your health needs. We maintain a natural medicine dispensary from which you may choose to purchase your prescribed natural medicines. Alternatively, you may opt to purchase natural medicines elsewhere.

I understand that I am financially responsible for my medical expenses incurred at the Upper Valley Natural Health Center to the extent that my health insurance does not pay for the services provided. I acknowledge that I have been informed of the fees for the services offered at the Upper Valley Natural Health Center.
