Our Fees

as of June 1, 2023

Under the federal No Surprises Act, health care providers are required to give an estimate of the total cost of medical services to patients who self-pay in order to protect patients from unexpected medical bills. **If you are uninsured, if you choose not to use your health insurance, or if Dr. Becky Chollet is out-of-network with your plan, you may request a written Good-Faith Estimate for any service you wish to schedule at our office.**

As a streamlined solution to this requirement, we are disclosing our fees for typical office visits, procedures, and lab services that Dr. Becky provides at the Upper Valley Natural Health Center.

Please note:

- Specific service(s) from the above list are chosen at the end of your visit based on an industry-wide standard that considers complexity of medical decision making and time devoted to care.
- In-network insurance contracts may limit allowable rates below our posted fees, which may provide you some savings.
- Patients who self-pay are eligible for a 25% discount off these fees when payment is made in full on the day of the service.

Additional Costs

Dr. Becky may recommend lab tests or imaging studies to be performed at local medical facilities. If you elect to do the test(s), the facility you choose to use is responsible for billing and providing fee estimates. Dr. Becky may also recommend out-of-pocket functional lab tests. She would inform you of the associated cost and if you choose to do a functional lab test, you would pay the lab directly.

Dr. Becky may recommend specific natural medicines for your health needs. We maintain a natural medicine dispensary from which you may choose to purchase your prescribed natural medicines. Alternatively, you may opt to purchase natural medicines elsewhere.

I understand that I am financially responsible for my medical expenses incurred at the Upper Valley Natural Health Center to the extent that my health insurance does not pay for the services provided. I acknowledge that I have been informed of the fees for the services offered at the Upper Valley Natural Health Center.

Provider's Physical Office Location: 2456 Christian Street, Suite 102, White River Junction, VT 05001

I understand that telemedicine is the use of electronic information and communication technologies by a healthcare provider to deliver services to an individual when he/she is located at a different site than the provider.
